1.

Which of the following best describes the purpose of a Product Backlog for the Scrum team?

1 / 1 point

☒ It is the guide and roadmap of your product.

☐ The training module for your product's release.

☐ A collection of thoughts about the product from your team.

☐ A complete description of what your product will do.

✔ Correct
2.

A Product Owner writes a user story for an item in a Sprint. They ensure that the story is something that will be beneficial to the user. Which I.N.V.E.S.T story writing criteria are they trying to fulfill?

1 / 1 point

☐ Independent

☐ Negotiable

☒ Valuable

☐ Estimatable

✔ Correct
3.

Which effort estimation technique involves team members walking around the room and placing stickers on each item?

1 point

☒ Affinity Mapping

☐ Dot Voting

☐ Planning Poker™

☐ The Bucket System

✘ Incorrect

Please review [the reading on Agile estimation techniques](#) ↗.
4.

As a Product Owner, you set the initial Sprint duration the team has to work on their items. This refers to what Scrum concept?

1 / 1 point

☐ Interval

☐ Time frame

☐ Schedule

☒ Timebox

✔ Correct
5.

During what Scrum event will the Scrum Master ask questions like: What has been our average velocity? Who on the team has any upcoming vacations or work conflicts? Who is responsible for what Sprint tasks?

1 / 1 point

☐ Sprint Retrospective

☐ Sprint Review

☐ Daily Scrum

☒ Sprint Planning

✔ Correct
6.

What is a main benefit of a Sprint review for all team members working on the project?

1 / 1 point

☐ Team members get to judge others from different teams.

☐ Team members get to collect feedback on each other's performance.

☐ Team members can review the project's remaining tasks.

☒ Team members can get instant feedback from the team during the demo.

✔ Correct
7.

During team retrospectives, the Scrum Master notices that a team member does not speak up or ask as many questions. What can they do to ensure all members can provide feedback? Select all that apply.

1 / 1 point

☐ Ask that specific team member to speak up first during retrospectives.

☒ Take the first ten minutes of the meeting to implement some quiet journaling.

✔ Correct

☒ Pair up team members to encourage participation.

✔ Correct

☐ Make no changes and hope that they will be able to speak up in the future.
8.

Which of the following questions does a team's velocity aim to answer?

1 / 1 point

☐ How many stakeholders does this project need?

☐ What are the team's opinions on the items to work on?

☐ Which team member will take the most points in this Sprint?

☒ How long will it take to complete the Product Backlog?

✔ Correct
9.

Work in progress (WIP) limits place constraints on how many items a team works on at any given time. What Scrum value do WIP limits encourage for a team?

1 / 1 point

☐ Commitment

☐ Openness

☐ Courage

☒ Focus

✔ Correct
10.
